GKM Reg 9 Tank Sampling Letter Report\_Final.pdf

Nancy,

R9 requested a START analysis of the water tanks deployed to Navajo Nation. The report is attached. The plan is to post to the GKM site tomorrow.

The EOC and R9 are making final report edits (per EOC\_EU's questions below) and reviewing the draft desk statement (also below). Kelly is looped in.

I understand you're handling GKM now for the third floor? Do you want to provide input now, or wait till the EOC and R9 finalize the report/statement?

Thanks,

Christie
